## Project Overview

\* indicates a required field

### Project Title and Start Date

**Provide a plain English, descriptive project title, followed by the proposed Fellow's first and last names \***

EXAMPLE: Combating coral bleaching on the Great Barrier Reef - Joe Brown. Must be no more than 12 words.

**Proposed fellowship commencement date \***

Must be a date in the future no later than 30 April 2021. This date will be confirmed if the fellowship application is successful.

### Type of Fellowship sought

Researchers cannot be nominated for both early career and mid-career fellowships. One category must be nominated.

**What type of fellowship is sought? \***

### Publishable Project Description

Please provide a plain English description of the fellowship project that is easy to understand. This information may be used in government reports and publications, and may be published on the department's website.

Please do NOT use:

- acronyms
- jargon or technical terms
- information that is commercially sensitive.

**Provide a brief project description for public publication \***

## Form Preview

Word count:

Must be no more than 60 words.

EXAMPLE: This fellowship will develop / investigate / evaluate etc.

## Eligibility (A)

\* indicates a required field

### General Eligibility

**If you answer NO to any of the questions in Part A you are not eligible for Advance Queensland Industry Research Fellowships funding.**

**Is the Applicant Organisation a Queensland university, or a Queensland-based government agency (local, state or Australian), or a Queensland-based not-for-profit organisation that conducts research? \***

**Is the Applicant Organisation registered for Goods and Services Tax (GST)? \***

**Does the proposed fellowship have eligible cash co-funding from the Applicant Organisation and/or one or more Partner Organisations that equals or exceeds the fellowship funding sought from the Queensland government? \***

Eligible cash co-funding must total at least \$180,000 for early career fellowships, or \$300,000 for mid-career fellowships.

**Is the proposed fellowship aligned to one of the investment areas outlined in the program guidelines? \***

The fellowship must be aligned to at least one investment area.

**Does the proposed Fellow have a PhD, or recently submitted a PhD thesis for examination? \***

Yes, the proposed Fellow has a PhD

Yes, the proposed Fellow has submitted a PhD thesis for examination

The proposed Fellow is seeking PhD equivalence

No, the proposed Fellow does NOT have a PhD or PhD equivalence

Fellows must have a PhD, or equivalent. Applicants must submit their PhD for examination by the closing date for applications, and must have the PhD accepted before they can commence a fellowship (if successful with their application).

**Will the Fellow have less than 5 years post-doctoral research experience if applying for an early career fellowship, or 5 to 10 post-doctoral research experience if applying for a mid-career fellowship? \***

Yes

Yes - after deducting research gaps

No

**Will the Fellow undertake the fellowship in Queensland? \***

The fellowship must be undertaken in Queensland.

**Will the Fellow reside in Queensland for the duration of the proposed fellowship?**

\*

The Fellow must reside in Queensland or near the Queensland/NSW border.

**Will the Fellow have Australian citizenship or residency (temporary or permanent) for the duration of the fellowship? \***

The Fellow must be an Australian citizen, or have residency (temporary or permanent) for the duration of the fellowship.

**Does the proposed fellowship include collaboration with at least one Queensland-based industry/end-user Partner Organisation? \***

The Fellow must collaborate with at least one Queensland-based industry/end-user partner.

**Will the Fellow spend some fellowship time physically co-located with one or more Queensland-based industry/end-user partners? \***

The Fellow must spend some of the fellowship time physically co-located with at least one Queensland-based industry/end-user partner.

## Eligibility (B)

\* indicates a required field

### Full-time Equivalent (FTE) employment and time on fellowship

**In what %FTE capacity will the Fellow be employed by the Applicant Organisation?**

\*

Must be a whole number from 1 to 100 (without the % sign). Examples: 100 for someone who is employed in a full-time capacity and 50 for someone who is employed in a half-time capacity. NOTE: The Fellow must be employed by the applicant organisation in at least a 50% FTE capacity.

**What %FTE will the Fellow commit to the fellowship? \***

Must be a whole number from 1 to 100 (without the % sign). Fellows must spend at least 50% FTE on the fellowship, irrespective of their employment status.

### Partner requirements

**Are any of the Partner Organisations parents, subsidiaries or spin-out companies of the Applicant Organisation that have been established for less than 12 months? \***

Partners must not be recent subsidiaries or spin-outs of the Applicant Organisation established for less than 12 months.

**Does the proposed Fellow have a vested interest in any of the fellowship Partner Organisations, including being employed by the Partner; having shares or equity in the Partner; or being on a Partner board or committee? \***

The proposed Fellow must not have a vested interest in any fellowship Partner Organisation.

## Other Fellowships

**Does the proposed Fellow currently hold another research fellowship? \***

Yes

No

Fellows can not concurrently hold another research fellowship while they are undertaking an Advance Queensland fellowship.

## Other Conditions

The Applicant Organisation must accept the Advance Queensland Industry Research Fellowships Financial Incentive Agreement Terms and Conditions (version 2020).

Please refer to the Financial Incentive Agreement [Terms and Conditions](#) Declaration page to do this.

## Eligibility Follow-up

\* indicates a required field

### Follow-up - Investment Area

**Which ONE of the following Investment Areas is the Project MOST aligned to \***

- protecting the Great Barrier Reef
- responding to climate change
- energy and water sustainability
- improving healthcare - mental health
- improving healthcare - diabetes
- improving healthcare - melanoma
- managing Queensland's waste and pollution
- developing environmentally responsible mining practices
- using innovation to improve agriculture and food
- sustainable fuels
- managing natural disasters, including droughts, floods, cyclones and bushfires
- using innovative technology to advance industry

### Follow-up - PhD

**Date PhD awarded \***

Date of conferral.

**University attended \***

**PhD research field \***

### Follow-up - PhD submission

**Date of PhD submission \***

Must be a date.

**University where the PhD thesis was submitted \***

**Title of submitted PhD thesis \***

### Follow-up - PhD Equivalence

**Please outline a case for PhD equivalence for the proposed Fellow \***

Word count:

Must be no more than 300 words.

### Follow-up - Research Gaps

**List any gaps in the Fellow's post-PhD research career. List the dates and duration of each gap, and the reason for each gap, and provide the total duration of all claimed gaps \***

Word count:

Must be no more than 500 words.

Allowances will be made for time taken away from research, for example, for parenting, caring, illness, or time in non-research roles. Clearly list each gap and the associated time away from research.

### Follow-up - Fellow's Citizenship and Residency

# AQ Industry Research Fellowships Application Form 2020 R3

## Form Preview

Fellows must be Australian citizens, or have Australian residency for the full duration of the fellowship.

**Fellow's country of birth \***

**Is the proposed Fellow an Australian citizenship or a resident? \***

Australian citizen

Permanent Australian resident

Temporary Australian resident

Seeking Australian citizenship

Seeking permanent Australian residency

Seeking temporary Australian residency

Other: \_\_\_\_\_

Follow-up - Australian citizenship or permanent residency

**Please discuss your progress in securing Australian citizenship or permanent residency**

Follow-up - Temporary Residency

**Provide details of the Fellow's temporary residency visa.**

**Type of visa (e.g. temporary work - skilled) \***

**Subclass number of visa (e.g. 457)**

**Visa start date \***

Use the calendar to select a start date.

**Visa end date \***

Use the calendar to select an end date.

**Please provide other relevant information regarding your residency status (if applicable)**

Follow-up - Other Citizenship/Residency

# AQ Industry Research Fellowships Application Form 2020 R3

## Form Preview

**Please outline how the Fellow will secure citizenship/residency to undertake the fellowship \***

Evidence of residency must be supplied before the fellowship can commence, and must be provided within 6 months of notification of the award.

### Follow-up - Other fellowships

**What is the name of the other fellowship? \***

Include current Queensland Government fellowships, if applicable.

**Will the current fellowship end before the proposed Advance Queensland Industry Research Fellowship commences?**

**When does the existing other fellowship end? \***

Must be a date.

## The Proposed Fellow

\* indicates a required field

### The Proposed Fellow

**Name of the proposed Fellow \***

Title      First Name      Last Name

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

### Fellow's Details

**Fellow's gender \***

**Is the Fellow of Aboriginal and/or Torres Strait Islander descent? \***

**Fellow's work address \***

Address

  

Address Line 1, Suburb/Town, State/Province, Postcode, and Country are required.

**Fellow's work email \***

**Fellow's work phone \***

example (07) 1234 1234 OR +61 7 1234 1234.

**Fellow's mobile**

example 1234 123 123

## Fellowship Summary

Provide a brief, plain English outline of the proposed fellowship project, including:

- the issue being investigated and its relevance to Queensland
- the novel research to be undertaken to address the issue
- the importance of industry participation to the project
- the likely outcomes for Queensland.

**Brief Project Description (plain English)**

Word count:

Must be no more than 150 words.

## Fellow's Employment Status with Applicant Organisation

**What will be the Fellow's employment status with the Applicant Organisation? \***

- Existing employee with the Applicant Organisation  
 NEW employee with the Applicant Organisation

An EXISTING employee works for the Applicant Organisation at the time the application is submitted. A NEW employee will join the Applicant Organisation if the fellowship application is successful.

**Fellow's Institute/School \***

If successful with this application, to which institute/school will the Fellow belong? (Enter n/a if not applicable).

## Fellow's Employer

Fellows who are NOT employed by the Applicant Organisation at the time of application must complete this section.

**Name of Fellow's current employer \***

**Address of Fellow's current employer \***

## Partner Organisations

\* indicates a required field

### Partner Details

**Please add each partner separately using the 'Add More' button.**

**Name of Partner Organisation \***

Organisation Name

**Street address of Partner Organisation \***

Address

  

Address Line 1, Suburb/Town, State/Province, Postcode, and Country are required.

**Please provide the Partner's Australian Business Number (ABN) below, or other business number (for Partners without ABNs).**

**Partner ABN**

The ABN provided will be used to look up the following information. Click Lookup above to check that you have entered the ABN correctly.

Information from the Australian Business Register	
ABN	
Entity name	
ABN status	
Entity type	
Goods & Services Tax (GST)	
DGR Endorsed

## Form Preview

For Partners that do NOT have an ABN.

### Type of Partner Organisation \*

Other:

### Is the Partner Organisation a parent, subsidiary, or spin-out company (established for less than 12 months) of the Applicant Organisation?

### Name of Partner contact person \*

Title      First Name      Last Name

<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------

### Partner contact person email \*

Must be an email address.

### Partner contact person phone \*

Must be an Australian phone number.

### Percentage of the fellowship that the Fellow will be physically co-located with the partner, if applicable. \*

Enter a '0' (zero) if the Fellow will not be co-located with the partner.

### If applicable, at what address will physically co-location occur?

### How many FTEs does the Partner Organisation employ? \*

### Nature of collaboration \*

### Role of Partner Organisation in the Project \*

Word count:

Must be no more than 100 words.

### Project Location

\* indicates a required field

#### Main Project Location

The location where **most of the Project activity** will be undertaken. For example, a researcher from the University of Queensland in Brisbane may have a project based at Heron Island.

**Street number and street name where the Project will be undertaken \***

**The primary town or suburb where the Project will be undertaken \***

**Post code of main Project location \***

#### Other Project Locations

**List the other locations where the Project research will be undertaken**

Provide the name of the town/suburb, state and country (if not Australia).

### Cash Co-funding

\* indicates a required field

#### Cash Co-funding Summary (excluding GST)

The total eligible **cash** co-funding from the Applicant Organisation and Partner Organisation(s) must be **equal to or greater than** the Advance Queensland funding sought from the Queensland Government.

**Total Advance Queensland funding sought \***

Must be \$180,000 for early-career fellowships, OR \$300,000 for mid-career fellowships.

**Eligible Applicant Organisation cash \***

The total cash from the Applicant Organisation. Queensland Government non-grant funding may be used as matched cash, but cannot exceed \$90,000 for early career fellowships or \$150,000 for mid-career fellowships, from ALL sources (Applicant and/or all Partners).

**Eligible Partner Organisation(s) cash \***

# AQ Industry Research Fellowships Application Form 2020 R3

## Form Preview

The total cash from ALL Partner Organisations. Queensland Government non-grant funding may be used as matched cash, but cannot exceed \$90,000 for early career fellowships or \$150,000 for mid-career fellowships, from ALL sources (Applicant and/or all Partners).

### Total Eligible Project cash \*

\$

This amount is calculated automatically.

### Additional Queensland Government cash (if applicable)

\$

The total Queensland Government cash that EXCEEDS the claimable matched funding allowable of \$90,000 (early career fellowships) or \$150,000 (mid-career fellowships) from all sources (Applicant and/or all Partners). This cash can NOT be used as part of the matched funding requirement, but adds value to the project. Other Queensland Government GRANT funding cannot be used as matched cash.

## Other Funding

### Have you previously sought other funding for this Project? \*

Other:

## Assessment Criterion 1 - Project Relevance and Merit

\* indicates a required field

### AC1

#### Why is the proposed research important for Queensland? \*

Word count:

Must be no more than 250 words.

#### Briefly outline other relevant KEY research, and why the proposed research is novel and necessary \*

Word count:

Must be no more than 250 words.

If applicable, mention the findings of patent searches.

#### Outline the fellowship research proposal, demonstrating that the research has scientific merit, and is well designed and achievable \*

Word count:  
Must be no more than 1000 words.

**How is the fellowship aligned to one, or more, investment areas? \***

Word count:  
Must be no more than 250 words.

## Assessment Criterion 2 - Meaningful Collaboration

\* indicates a required field

### Engagement and Collaboration

Fellows **must** have meaningful engagement, collaboration and participation with one or more **Queensland-based industry/end-user organisations**. This engagement/collaboration **must** include spending some of the fellowship **physically co-located** with one or more Queensland-based industry/end-user Partner Organisations.

Meaningful engagement and collaboration with industry/end-users includes:

- the Fellow spending some of the fellowship physically co-located with one or more Queensland-based industry/end-user Partner Organisations (**compulsory**)
- cash-contributions from the industry/end-user partner organisation(s)
- access to specialist equipment and supplies owned by the industry/end-user Partner Organisation(s)
- access to professional or technical expertise in the industry/end-user Partner Organisation(s)
- access to a mentor in an industry/end-user Partner Organisation.

**How will the Fellow meaningfully engage, collaborate and participate with one or more Queensland-based industry/end-user partners? \***

Word count:  
Must be no more than 400 words.

**What percentage of the fellowship time will the Fellow spend physically co-located with one or more Queensland-based industry/end-user partners? \***

Must be a whole number from 1 to 100. This is the total co-location time for ALL Queensland-based industry/end-user partner organisations.

**How will the industry/end-user partners contribute to the Project? \***

Word count:  
Must be no more than 300 words.

**How will the involvement of other (non-industry/end-user) people or organisations contribute to the fellowship? \***

Word count:  
Must be no more than 300 words.

### Assessment Criterion 3 - Clear Outcomes and Benefits for Queensland

\* indicates a required field

**What are the anticipated outcomes/benefits of the fellowship for Queensland within the next 5 years? \***

Word count:  
Must be no more than 400 words.  
Please quantify the tangible economic, social, environmental and/or regional benefits for Queensland.

**How will the research findings be translated into outcomes for Queensland, including through adoption and commercialisation? \***

Word count:  
Must be no more than 300 words.

**How does the proposed research address an industry need, and how will the industry/end-user partners benefit from being involved in the Project? \***

Word count:  
Must be no more than 400 words.

### Assessment Criterion 4 - Track record

\* indicates a required field

#### AC4 - Fellow's Skills

**How will the Fellow's relevant experience and skills enable the Project to be successfully undertaken and completed? Please refer to research experience, industry engagement experience, and/or any other relevant skills \***

Word count:  
Must be no more than 500 words.

### AC4 - Achievements and employment

**How many peer-reviewed publications has the Fellow produced? \***

Must be a number.

**List the Fellow's peer-reviewed publications for the last five years \***

Enter n/a if not applicable. Publications for the past five years that are related to the fellowship.

**List the Fellow's research positions for the last 10 years \***

Enter n/a if not applicable. Include the dates of employment, the position held, and the name of the employer.

**List the Fellow's research awards, prizes and medals for the last five years \***

Enter n/a if not applicable.

**List the Fellow's patents (filed and pending) for the last five years \***

Enter n/a if not applicable.

**List the Fellow's current research grants \***

Enter n/a if not applicable. Include the name of the funding provider, the project title, the amount of funding secured and the end date for each grant.

## Project Milestones

\* indicates a required field

### Annual Project Milestones and Outcomes

# AQ Industry Research Fellowships Application Form 2020 R3

## Form Preview

Use **numbered dot points** to list the Project Milestones (activities) and anticipated outcomes for each year of the proposed fellowship using PLAIN ENGLISH.

Fellows are required to report against these milestones annually. It is important that the milestones are **easy to understand** by people who have no scientific background, and that they are **easy to review** as completed or not completed.

For milestones that cover multiple reporting periods (e.g. 2 or 3 years) please list and report on each annual component separately (e.g. part 1, part 2, part 3).

### **Following is an example of milestones:**

*Year 1 – The focus is on evaluating a new insecticide (Product X) for managing grasshoppers in maize.*

*1.1 Complete glass house trials evaluating the toxicity of Product X residues on maize leaves and silks against juvenile and adult grasshoppers.*

*1.2 Complete field trials comparing the efficacy of Product X against industry standard practices for controlling grasshoppers in maize on commercial farms at Brookstead on the Darling Downs.*

### **Tips for preparing Milestones:**

- Do not list administrative tasks, the submission of publications, or conference presentations as project milestones. You will be asked to report on publications and conference presentations separately. Focus on research tasks.
- Avoid simplistic statements such as "complete preliminary trials". The milestones should be informative, stand alone statements that convey the purpose of the specific research in the overall context of the fellowship.
- Do not use technical terms, jargon or acronyms.

## Year 1

### **In PLAIN ENGLISH outline the Year 1 Project Milestones for the fellowship \***

Please use numbered dot points, i.e. 1.1, 1.2, 1.3 etc..

### **In PLAIN ENGLISH outline the likely outcomes of the Year 1 findings for Queensland \***

Please use numbered dot points, i.e. 1.1, 1.2, 1.3 etc..

## Year 2

### **In PLAIN ENGLISH outline the Year 2 Project Milestones for the fellowship \***

Please use numbered dot points, i.e. 2.1, 2.2, 2.3 etc..

**In PLAIN ENGLISH outline the likely outcomes of the Year 2 findings for Queensland \***

Please use numbered dot points, i.e. 2.1, 2.2, 2.3 etc..

Year 3

**In PLAIN ENGLISH outline the Year 3 Project Milestones for the fellowship \***

Please use numbered dot points, i.e. 3.1, 3.2, 3.3 etc..

**In PLAIN ENGLISH outline the likely outcomes of the Year 3 findings for Queensland \***

Please use numbered dot points, i.e. 3.1, 3.2, 3.3 etc..

## Reporting Categories

\* indicates a required field

Categories

**Choose the Field of Research to which the project is principally aligned \***

**Choose the Socio-Economic Objective to which the project is principally aligned \***

**Choose the Industry Sector that will principally benefit from the project \***

## Fellowship Jobs

\* indicates a required field

Number of Research/Technical Jobs Supported by the Fellowship

Please provide details of the number of dedicated research/technical fellowship positions to be funded by the fellowship project.

**Please include the FELLOW as one of the positions (existing or new).**

# AQ Industry Research Fellowships Application Form 2020 R3

## Form Preview

**EXISTING** jobs refers to staff already employed by the Applicant or Partner Organisation(s) who will have some, or all, of their time allocated to the fellowship project if the application for funding is successful.

**NEW** jobs refers to new staff who will be appointed to work on the fellowship project if the application for funding is successful.

It does not matter whether the fellowship position is permanent or temporary; full-time or part-time; short term or long term. **Each position counts as one job**, irrespective of FTE. If a given position is held by more than one person (e.g. job sharing or a change of staff) it must be counted as one job.

Please count all fellowship research/technical positions supported under the **total pool of fellowship project funding**, that is, Queensland Government funding + Applicant Organisation funding + Partner Organisation(s) funding.

**How many EXISTING Queensland jobs will be directly supported by the fellowship project? \***

Must be a whole number. Include the Fellow in the count - either here OR as a NEW job.

**How many NEW jobs will be created in Queensland in undertaking the fellowship project? \***

Must be a whole number. Include the Fellow in the count - either here OR as an EXISTING job.

**How many new jobs are likely to be created in Queensland as a direct result of the fellowship project within 5 years of project completion? \***

Must be a whole number. Provide the best estimate for jobs likely to be created 5 years after project completion.

## Applicant and Partner Cash Funding

\* indicates a required field

**Other Queensland Government GRANT funding cannot be used as matched cash.**

Applicant Organisation Cash Funding for the fellowship

**In proposals where the Applicant is a Queensland Government organisation, Queensland Government NON-GRANT funding may be used as cash, but cannot exceed \$90,000 for early career fellowships or \$150,000 for mid-career fellowships from ALL sources (Applicant and/or all Partners).**

**Other Queensland Government GRANT funding cannot be used as Applicant cash.**

**Name of Applicant Organisation \***

# AQ Industry Research Fellowships Application Form 2020 R3

## Form Preview

**Applicant Organisation Year 1 cash \***

Enter '0' (zero) if no cash is provided.

**Applicant Organisation Year 2 cash \***

Enter '0' (zero) if no cash is provided.

**Applicant Organisation Year 3 cash \***

Enter '0' (zero) if no cash is provided.

**TOTAL Applicant Organisation cash**

This amount is calculated automatically.

### Partner Organisation Cash Funding for the fellowship

**Please add each partner separately by using the 'Add More' button.**

**In proposals where a Queensland Government organisation is the partner, NON-GRANT funding may be used as partner cash, but cannot exceed \$90,000 for early career fellowships or \$150,000 for mid-career fellowships from ALL sources (Applicant and/or all Partners).**

**Other Queensland Government GRANT funding cannot be used as partner cash.**

**Name of Partner Organisation \*****Partner Organisation Year 1 cash \***

Must be a dollar amount.

Enter '0' (zero) if no cash is provided.

**Partner Organisation Year 2 cash \***

Must be a dollar amount.

Enter '0' (zero) if no cash is provided.

**Partner Organisation Year 3 cash \***

Must be a dollar amount.

Enter '0' (zero) if no cash is provided.

**TOTAL Partner Organisation cash**

### Proposed Project Expenditure

\* indicates a required field

#### Fellow's Salary

In the "Details" column please provide the Fellow's position and pay classification. Please use a separate line for each source of funding, for example - use two line entries if the Fellow's salary is paid from Advance Queensland AND Applicant Organisation funding.

Details	Source of funds	Funds (\$)
		\$

#### Other Technical/Research Fellowship Salaries

List each technical/research position to be funded by the fellowship using a separate line for each position, and for each source of funding for each position.

Details	Source of funds	Funds (\$)
		\$

#### Consumables and Small Equipment (up to \$10,000 per item)

List each consumable or item of equipment on a separate line, and use separate lines for each source of funding.

Details	Source of funds	Funds (\$)
		\$

#### Travel

List the proposed travel to be funded by the fellowship, using separate lines for each source of funding.

Details	Source of funds	Funds (\$)
		\$

#### Other Expenditure

Use separate lines for each source of funding.

Details	Source of funds	Funds (\$)
		\$

### Expenditure Justification / Clarification

NOTE: Salaries can only be claimed for the FTE time that staff spend on the fellowship project. The non-fellowship time of staff CANNOT be claimed.

**Please justify the project salaries, including the proposed Fellow's salary \***

Please list the name and/or position title of the staff member; their role in the fellowship project; their FTE commitment to the fellowship; and their annual salary. NOTE: PhD Scholarships cannot be claimed as salaries, or as co-funded cash.

**Please justify the project consumables and small equipment expenditure \***

Enter N/A if there is no expenditure.

**Please justify the proposed travel expenditure \***

Travel to conduct research for the Fellow and dedicated fellowship research/technical staff, and conference travel for the Fellow can be claimed. NOTE: Conference travel for staff other than the Fellow CANNOT be claimed. Enter N/A if there is no expenditure.

**Please justify any other proposed expenditure \***

Enter N/A if there is no expenditure.

### Expenditure Totals

These fields will be automatically populated. No data entry is required.

**Total Fellow's salary**

**Total other salaries**

**Total consumables**

**Total travel**

**Total other expenditure**

## Supporting Documents

\* indicates a required field

**Upload a PDF scanned copy of: 1) the Fellow's PhD award, OR 2) the Fellow's official academic transcript which includes awards and conferral dates, OR 3) evidence of PhD submission \***

Attach a file:

**Upload PDF scanned copies of letters supporting the Fellow and the proposed Project (scanned as one document). \***

Attach a file:

Letters must clearly indicate the reasons for supporting the research, and outline the cash (\$) that is committed to the fellowship. Letters from industry/end-user organisations must indicate the amount of time that the Fellow will be physically co-located with them. The letters of support will be considered under Assessment Criterion 2.

## Financial Incentive Agreement Terms and Conditions Declaration

\* indicates a required field

### Financial Incentive Agreement Declaration

The Financial Incentive Agreement [Terms and Conditions](#) declaration page must be **printed; signed** by the nominated Fellow and the delegated representative from the Applicant Organisation; scanned and **uploaded** below.

**IMPORTANT:** The Applicant Organisation must read and **accept** the standard Advance Queensland Industry Research Fellowships Financial Incentive Agreement [Terms and Conditions](#) (version 2020) **before** submitting the application.

**Does the Applicant Organisation accept the Advance Queensland Industry Research Fellowships Financial Incentive Agreement Terms and Conditions (version 2020)? \***

The Terms and Conditions must be accepted before submitting the application.

### Upload Declaration Page

**Upload a signed Financial Incentive Agreement Terms and Conditions declaration page \***

Attach a file:

### Privacy

The information supplied in this form will be used to evaluate applications for the program as required by the program [Guidelines](#) and [Terms and Conditions](#), and the [Information Privacy Act 2009](#).

This information is usually provided to authorised departmental officers and approved grant assessors under the [Financial Accountability Act 2009](#) for the purpose of assessing the application for funding. They may provide all or some of the information to the Queensland Government to promote funded projects and may provide details of successful proposals, agreed outcomes, progress and the level of funding for publication.

The information provided in this application will not be disclosed to any other parties unless authorised or required by law.
