Expression of Interest - First Deals - Supply Chain Readiness

* indicates a required field

PROGRAM OVERVIEW

The 12-week Female Founders Supply Chain Readiness Program is designed for Queensland women-founded and women-led businesses with an established product or service, existing customers, and ambitions to enter larger corporate, government or Tier 1 supply chains.

Through practical workshops, tailored readiness and engagement planning, buyer connections and ongoing support, participants will build the capability, confidence and strategic relationships needed to strengthen supplier readiness and pursue new commercial opportunities.

>>>

- Enable early-stage alignment and relationship building

KEY DATES

- **EOIs Open**: 12th November 2026 at 9am
- **EOIs Close**: 16th January 2027 at 2pm

PROCESS / ASSESSMENT

1# **Submit Your EOI**

2# Complete the Gov Ready Supplier Pulse Check (takes approx 10 mins to complete)

3#Assessment - Applications will be assessed by **Gov Ready** representatives, assessing business fundamentals and growth potential.

4#Selection - Applicants will be notified approx. 3 weeks after program closure.

ELIGIBILITY REQUIREMENTS

To be eligible to participate in the program, organisations must meet the following requirements:

Is the applicant organisation headquartered in Queensland (operating and having its head office located in Queensland)? *
○ Yes ○ No
For the purposes of this program "Located in Queensland" is any organisation that has a physical office in Queensland and has an ABN which states its "Main business location" is in Queensland.

Does the applicant organisation have an ABN? *
○ Yes ○ No

Is the applicant organisation ABN registered in Queensland as the main business location? *
○ Yes ○ No

Is your business majority Female Owned? Must be at least 50% of shares held by a woman/woman (at least six months before application) *
○ Yes ○ No
If the female founder’s shares are held within a trust, the applicant organisation will be required to demonstrate how it meets the eligibility criteria above

Does the applicant organisation and/or related parties have 50 or less full time equivalent employees? *
○ Yes ○ No

Are you a subsidiary of a group of companies that has more than 50 full-time-equivalent employees in total *
○ Yes ○ No

What stage of development is your product/service at? *
○ Not built and not yet tested in market or trialled with potential customers
○ Built but not yet tested in market or trialled with potential customers
○ Reached Minimum Viable Product Stage but not yet tested in market/trialled with customers
○ Reached Minimum Viable Product Stage and tested in market/trialled with customers
○ Beyond Minimum Viable Product Stage and ready to enter market
Choose the statement that most closely describes the current status of the product / technology / solution

Can you commit to 3–4 scheduled workshops and actively participate in implementation activities between workshops, a buyer session, and reasonable outcome reporting. *
○ Yes ○ No

Are you willing to complete a post course survey and share your startup's progress with Gov Ready, peers and the Queensland Government for purpose of collaborative learning? *
○ Yes ○ No

Submission Eligibility

⚠ **Unfortunately, based on your response, it would appear that your organisation is not eligible to be considered for the EOI Supply Chain Readiness.**

⚠ **Do not proceed with completing the Expression of Interest form as ineligible applications will not be progressed for assessment.**

Applicant Details

* indicates a required field

How did the Applicant Organisation first become aware of the Supply Chain Readiness Program? *

Other:

Industry Classification

* indicates a required field

Primary Industry Classification

The department collects data on industries that benefit from funded projects.

To assist with our reporting, please select the industry classification which will benefit from your proposed project.

Only one option can be selected from the dropdown list below.

To assist you with your options, refer to the Australian and New Zealand Standard Industrial Classification **(ANZSIC)** lookup link.

There are two levels within the ANZSIC hierarchy. Ensure you navigate through to the lowest level to choose an industry option.

Please select the primary industry classification that will benefit from your proposed project: *

ANZSIC Lookup Click on "Browse" then click on "Primary Industries Classification", then select an option by clicking the relevant industry (not the identifying letter) eg: Agriculture, Forestry & Fishing

Other Priority Industries

Priority Industries - refer to niche or new industry per Queensland Government policies (Industry RoadMap) - To build our competitive strengths, diversify our economy and create the knowledge-based jobs of the future, Advance Queensland is driving innovation-led economic growth through increased collaboration between government, industry and research organisations.

The department collects data on industries that benefit from funded projects. To assist with our reporting, please select the Priority Industry which your proposed project will benefit from.

Only one option can be selected from the dropdown list below.

To assist you with your options, refer to the **Queensland Priority Industries Definitions** lookup link.

There are two levels within the Priority Industry hierarchy. Ensure you navigate through to the lowest level to choose an industry option.

Please select the priority industry that will benefit from your proposed project: *

Link to Qld Priority Industries Definitions Click on "Browse", then click on "Priority Industries", then select an option by clicking on the relevant option (not the identifying number) eg: Advance Manufacturing

Enabling Technologies

Enabling Technologies -separate list from the ANZSIC and Priority Industries – this is not an Industry category. This information is required to capture the type of Enabling Technologies used in activities regardless of the industry.

The department collects data on industries that benefit from funded projects. To assist with our reporting, please select the Enabling Technologies that will be used in your project.

Only one option can be selected from the dropdown list below.

There are three levels within the Enabling Technologies hierarchy. Ensure you navigate through to the lowest level to choose a technology option.

Please specify the main enabling technology used in your project: *

Click on "Browse", then click on a "Sub Category", then select an option by clicking on relevant technology (not the identifying number) eg: Artificial Intelligence

Please advise your enabling technology: *

Word count:
Must be no more than 3 words.
What is the main type of technology will you provide or use in your project? eg: Autonomous Systems.
Input N/A if not applicable

Applicant Organisation Declaration

* indicates a required field

I declare and certify the following:

- The information I have supplied in this application is true, accurate and not misleading to the best of my knowledge.
